## Youlgrave medal success

*World-beaters Down Under - Richard Swindell and Melissa Slaney*

**Well, what a summer for Brits vs Aussies at sport – and we're not talking about the Ashes.**

Both Melissa Slaney and Richard Swindell did Pommy proud in Oz by taking on all-comers at the World Transplant Games and helping the UK team top the medal table, leaving the hosts in second place.

Melissa swept all before her in the Ladies Table Tennis Singles, culminating in a 5-set final against a determined Hungarian opponent – but she showed a cool head to win the Gold medal.

Richard was unlucky to lose 11-10 in the final at the Bowls, as he in front till the last end and was denied the Gold so had to settle for Silver. He also won Bronze in the Table Tennis, going out to the eventual winner from Poland.

Both Melissa and Richard were proud to be a part of a fantastic event helping to promote the benefits of Organ Donation and raising awareness about Transplantation, bringing together 43 Nations and over 1,000 athletes through sport.

The trip could not have taken place without the help of many people who raised money, donated time or services towards their costs. Thanks to the Youlgrave Carnival Committee and the Farmyard Inn, in particular, and friends and family in general.

The weather was SUNNY, the natives FRIENDLY, the beer COLD, so what more could we ask for? Oh yes, our lads back home beat them at cricket while we were in Oz. PERFECT! Roll on Sweden in 2011.

### Blue Bag collection for School

### CALLING ALL LANDOWNERS

The Sustainable Youlgrave Community Involvement Group is searching for a suitable piece of land for the planting of a **COMMUNITY ORCHARD**. What is needed is a small field accessible from a road. It really needs to be close to or within the village and be fairly flat. A fair rent can be paid for the right piece of land.

This is also a call for anyone interested in being a part of the Community Orchard to get in touch with the Group so we can set up a working committee.

Contact: Lucy Stirling (email [stirlinglucyb@hotmail.com](mailto:stirlinglucyb@hotmail.com)), Jeni Edwards (636550) or Judith Orchard (630202).

*Thank you to everyone who put out blue bags of clothes to raise money for the School. Here 2-year-old Daniella Murray of Coldwell End lends a helping hand.*

### EXERCISING FOR YOULGRAVE

Term-time on Tuesday afternoons sees a little gang of village ladies doing their best to keep fit.

Come along and join us in Youlgrave Reading Room, 2pm-3.30 pm, all for just £1.

## Annie Brandon (1916– 2009)

Annie was born in Youlgrave on 26 February 1916, the first child of Beulah and Herbert Wheeldon.

She spent her early childhood in Smithy Lane, Middleton, with her younger brothers Jack and George. The family moved from Middleton to Youlgrave in 1937. Although she spent most of her life in Youlgrave she was a Middleton girl at heart.

Like many of her generation, Annie spent some years in service; first at Cales Farm, where she developed a love of animals, and then at the Old Hall in Youlgrave. Annie always enjoyed dancing and it was through this that she met her husband Frank. She gave a lively account of returning with Frank from a New Year's Eve dance in Maggie Ford's film 'Made of Clay'.

Her first son, Donald, was born in 1937 before Frank went to war. Like so many, she had to bring up a young child while her husband and brothers were abroad on active service. During these war years she coped admirably and nursed Frank back to health on his return. After the war the family moved into their cottage on Bankside and in 1946 their second son Michael was born.

Annie loved her home and was devoted to her family. She worked hard and was proud that they were always able to enjoy an annual holiday. After their sons left home, Annie and Frank went on more adventurous holidays abroad and enjoyed dancing again.

Despite an increasing struggle with

arthritis, Annie was determined to maintain her independence after Frank's death in 2000. Her appearance and quiet manner belied a strong character. She continued to live in the family cottage on Bankside until December 2008 when she moved into residential care in Suffolk to be closer to her sons Donald and Michael. She had lived in the cottage for 62 years.

Annie died unexpectedly but very peacefully on 7 September at Chilton Meadows Residential Care Home in Stowmarket. Her funeral was held in Ipswich on 22nd September 2009. She was a devoted wife, mother and grandmother and will be sadly missed by all her family and friends.

A commemoration event in Youlgrave is planned for Monday 19 October. For details please contact Mike Brandon on 01473 310073 or email [brandonandbrandon@dsl.pipex.com](mailto:brandonandbrandon@dsl.pipex.com)

### CRIB SERVICE 2009

We are yet again searching for a suitable couple with a young baby, to take the part of Mary, Joseph and baby Jesus in the Church Crib Service on Thursday 24 December at 5pm in All Saints Church, Youlgrave. If you are willing to take part, or know of someone who might be interested, please ring Barbara on 636601. Just the opportunity for those of you who weren't chosen for these parts when you were in Primary School! Only a few words to say and as it takes part in candlelight you won't be seen very much!

## BACK TO SCHOOL

*At All Saints' CE Primary School we have all returned back to school well rested and ready to start another busy year.*

*Over the summer holidays work at school has not stopped. We have had all the external doors painted to match the school uniform and new signs, which look fantastic and have brightened up the school.*

*There has also been a number of parents and children working hard at school to keep our gardens watered and vegetables picked. This has been a great success. We even entered some vegetables in the Horticultural Show at the beginning of September.*

*This term we have a range of exciting activities planned and we are all looking forward to the year ahead. Look out for regular news and reports in the Bugle.*

## YOULGRAVE YOUTH CLUB

Our village Youth Club, for 8-13 year olds, continues to thrive gently. We're about to consider adding a session each week for slightly older youngsters, around 11-14 years. Not unreasonably, 12 and 13 year olds like to get away from the younger ones sometimes and do their own thing. But extending like this means we need more village people to be willing to spend a bit of time down at the Scout Hut with our youngsters. A couple of weeks ago, we nearly had to cancel, as only one regular helper was available - luckily someone stepped in. The majority of our helpers are 50 or over - we'd love some younger blood with new ideas and energy. We meet on Tuesdays, 6.30-8pm, the possible new session would go on to 9pm. We have lovely kids in the village - please consider joining the team - one evening each half-term would be wonderful. Phone Barbara 636601 or Glenys 636477 to discuss.

## W.I. REPORT

### 'The season of mists and mellow fruitfulness' has returned...

...And so did the WI at our first meeting after a long summer break. We had an interesting talk about the architectural delights of Staveley from Paul Wilson of the Staveley local history society, with one house closely linked to the Devonshires of Chatsworth.

After this there was a much needed cup of tea or two and home-made goodies while people caught up with holiday news, village updates and the programme for the rest of the year.

Don't forget that it's your chance to find out more about the WI at our October meeting on Tuesday 13th at 7.30pm. There are the usual updates and meeting, but afterwards there will be yummy puddings and a chance to enjoy some girly company and find out more about how fantastic the WI is. Hope to see some new faces there! If you would like to find out more about the WI, rather than coming to the meeting (which I know can be a bit daunting), do give me a bell on 630315 after 6pm. Youlgrave WI girls look forward to seeing some new faces on the 13th.

## Youlgrave Guides Reunion honours Sue Lomas

Last month a special event was held in memory of the late Sue Lomas, long-time and much-loved Youlgrave Guider. A large number of Guides, past and present, turned out, and there were many fond memories expressed and some generous donations. A special Sue Lomas trophy was unveiled that will

be awarded to the Guides that show exceptional commitment and endeavour. Pictured left: Penny McCloy (current Unit Guider) receives the trophy from Diane Harrison and Margaret Purslove.

Youlgrave Guides invite you to a talk about their Icelandic Expedition during the summer. It will take place in the Scout & Community Hall, Youlgrave, on Thurs 22 Oct, from 7.30-9pm. Everyone is welcome.

## “Youlgrave does it again...”

It was 1.30 am, I couldn't sleep, so I glanced at my new Radio Times. It advertised the Macmillan Cancer Support Big Coffee Morning - and before I drifted off, I'd planned the whole event - and brought in Medecin Sans Frontieres as another beneficiary. A meeting with Val, Jane and my sister led to decisions and a firm commitment. Jane would be on holiday, so she composed a quiz and promised raffle prizes. Her partner, John, gave the quiz prize. Posters and invites went out.

And then the day came closer - and the dusty, neglected house needed a spruce up. My best efforts, alone, just weren't enough - the house didn't begin to gleam and sparkle, so I called in the big battalions. Eddie arrived, polish and feather duster held aloft... Mr Sheen has nothing on him. He (and I) polished and dusted and swept and mopped for England and four hours later the gleam and sparkle were there. Then Barbara arrived to help with finishing touches and displays and final vacuuming. So much odd stuff was collected into a box and shoved upstairs.

On the morning, sister Joan and Val arrived with cakes, Kath brought cake and another raffle prize, John had supplied excellent ginger cookies, Connie had made scones, Eddie was on the door... and people came...

*A packed crowd at Glenys's fundraising Coffee Morning.*

dozens of them, full of smiles and goodwill. Dolly brought a pie and cake, Irene brought apples to sell... and I hope a good time was had by all. The organisers and helpers certainly did. Thank you to everyone who contributed in ANY way. We've made £370 so far, to be shared between the two charities.

Bill and I were always so grateful that our house hunting led us to Youlgrave, 38 years ago. The Coffee Morning on Friday 25 September down Stoneyside, reminded me, yet again, why Youlgrave is such a wonderful place to live.

# YOULGRAVE HORTICULTURAL SHOW

Youlgrave's 70th Horticultural Show was held in the village hall on 5 September and attracted a record number of entrants and visitors.

The overall winners were Mr G. Ollerenshaw, who won the most points in the vegetables and flower sections, plus the best exhibits in the flowers and

vegetables and the 'Johnson Trophy' for the best tomatoes. Well done, Mr Ollerenshaw!

The 'Best exhibit in the Floral Art Class' and the 'DA & E Wardle' trophy for the most points in the baking and handicrafts sections went to Lisa Brocklehurst. Congratulations Lisa and also to son Archie who won the 'Best exhibit in the children's section' with his fantastic "pineapple puffa fish".

Mrs Karen Mort won the 'Best exhibit in Baking' section with her delicious shortbread biscuits.

Dougie Oldfield, who did his usual brilliant job of auctioneering the goods at the end of the show, won the RAOB silver cup for local gardener with most points in the vegetable and flower section.

A new face at the show, David Heathcote, won the 'Litchfield Trophy' for his wining vase of roses. Well done to David, we hope to see you again next year.

*Last month's Show was one of the most successful ever held.*

Despite the terrible weather we had just before the show, there were still three entries in the sweet pea class, which was won by John Groom who took away the 'Plowright Cup'.

Mr Phillips from Darley Dale won the 'Mort Egg Cup' for his perfect free range egg and the 'Sustainable Youlgrave Compost Prize' was won by Mrs Jean Youatt. Well done to everyone.

The show raised over £200, most of which is given back in prize money.

Thanks to James Toyne and Tony Frost for helping with the tables, Dougie Oldfield for his great auctioneering which raised around £150, and a MASSIVE thank you to everyone for their help and support in making our village show become one of the best village shows in Derbyshire.

If you have an idea for a class you would like to see in next year's show, please contact a member of the Horticultural Society.

## What is the D of E Award all about?

The Duke of Edinburgh's Award Scheme is open to anyone aged 14-25 who wants a challenge and to try something new. It has four sections: skill, physical, volunteering and the expedition. The time spent on each section and the length and time of the expedition increases with each Award – from Bronze through to Silver and Gold.

In Youlgrave we have a group primarily aimed at young people in the village (and a few of their friends) who want to have a go at the scheme. We train the young people in expedition skills, including navigation, campcraft, etc, to ensure that they are competent to undertake expeditions. We also help them choose their activities for their other sections. We meet on Mondays in the Scout & Community Hall, 7–9pm.

During the summer we had a group of six carry out their Silver Duke of Edinburgh Award expedition. They only had a week between their practice and qualifying trips, due to their other commitments, so this added extra pressure on them. For these expeditions, the group had to carry all their kit including tent, stoves and fuel and food for three days. They had to navigate and walk over 30 miles and carry out a purpose which was presented at a later date. Unfortunately one member of the group had to drop out after the first day due to an infected and very painful toe. The others however were very cheerful, very tired but proud at what they had achieved as the leaders met them coming down Kinder Scout into Edale and their finish point. This group have a few other sections to finish before they gain their Silver Award, but most of them are

keen to go on to the Gold Level and even more of a challenge!

We will be starting another group off in November, so if you are 14 (or will be by July 2010) and would like to more about the scheme, we will be having a meeting for you all and your parents to let you know more about it on Monday 12 October, in the Scout & Community Hall, starting at 7pm. Please come along and hear about it – we will not be asking you to commit that evening!

We would be really keen to get more adults involved in this group. James Parker has recently moved and is due to be married and Mark Shearing has recently become a Dad – congratulations to them both! If you have an interest in the outdoors, or feel you could help in another way please get in touch.

**Penny McCloy (tel 636125)**

- Are you aged between 14 and 25? (Or will be 14 by July 2010)
- Are you in need of a challenge?
- Do you want to have fun?
- Do you want to try something new?

If you can answer **yes** to any of these questions, come along to find out what the Duke of Edinburgh's Award can do for you at a meeting on **Monday 12 October** at **Youlgrave Scout & Community Hall** at 7pm.

## GARDENERS' QUESTION TIME

*Thank you to Amanda, Mat and Olivia Davies who have sent in the following question:*

We are a couple with a young baby who earlier this year moved to Middleton-by-Youlgrave. The garden has seen some love in the past but is now in a sorry state. We'd like to put some raised beds for fruit/vegetables in the back and would like some local advice please! The patch is north-northwest facing and receives good sun all afternoon.

- How should we prepare the soil in readiness for planting?
- What exactly is good muck?
- What do people find grows with most success in this area?
- Bearing in mind that we have a baby and are working, we don't have a huge amount of time for plants that need special attention.

*If you can give advice or information on raised beds or any of these issues please get in touch with the Bugle at the address on the inside back page; or leave a note with Roger at Youlgrave Post Office; or ring the Bugle Allotment Hotline on 636125.*

*We will feature your answers in the next issue. And please keep further questions coming in on any gardening-related topic.*

## Area Community Forum

Monday 16 November, 7 pm  
Agricultural Business Centre, Bakewell

Derbyshire Dales District Council's Northern Area Community Forum includes District Council Members and officers, plus representatives from Derbyshire County Council, Derbyshire Constabulary, the Peak District Peak District National Park Authority and Derbyshire Fire & Rescue Service. Subject matters have yet to be finalised, but the Forums will include the usual Question Time session allowing members of the public to raise matters of concern, make suggestions and ask questions relating to the responsibilities of any of the participating authorities.

### UNIVERSITY OF THE 3RD AGE REACHES OUT

Bakewell and Area U3A has about 30 activity groups which meet monthly - gardening, bridge, creative writing, theatre visits, lots of walking groups, recorder, drama/play reading, personal finance - these are just a few of them. We aim at the over 50s and retired or semi-retired, and membership is drawn from over 20 local villages, including a good number from Youlgrave.

We want to make everyone eligible aware of our existence and so we're having an open meeting on Wednesday 25 November, 2.15 pm, in Baslow Village Hall, when John Oliver, retired comptroller at Chatsworth, will talk about "Fifty years with the Duke". Why not come along - you might enjoy the talk and you can find out a bit more about the group and meet members? Phone Glenys 636477, Carol 636570 or Margaret 636840, for more details.

### Thoughts of the month
